

October 21, 2020

**Dear Parents,**

Our online Student Information System SKOOLEE is available for KG1 up to Secondary 3 classes.

This web software will allow you to access information about your child on a daily basis including his/her absence, conduct, demerit, agenda and grades.

To access your account, kindly log in to <https://asg.skoolee.com> or via our website <http://www.asg.edu.lb> using the username and password provided by SMS. Please download our mobile app "Antonine Sisters School - Mar Elias Ghazir" from the Apple Store or Google Play, and log in using the same username and password, to instantly get our push notifications. You will be able to get general school info regarding events and activities by following our Facebook page on <http://facebook.com/asghazir>.

Due to the Covid 19 pandemic, the online live sessions are given through Microsoft Teams. Also note that the agenda section is moved from Skoolee to Microsoft Teams to facilitate your access through one platform.

Thank you for your cooperation in this matter, and we hope that using this system will enable us to serve your children better.

For technical support kindly contact us on WhatsApp during working hours at 70327143.
