

November 18, 2020

Dear Parents of the Elementary Cycle Students,

I hope that all of you are doing well and staying safe. Finding some peace among the chaos is necessary to ensure our children can achieve their highest potential.

As you know, elementary students started the 2020-2021 academic year with online courses based on an adapted schedule regarding the educational level they reached before the March 2020 lockdown. We also divided languages and Math classes into 2 groups to ensure a quick comeback for our students.

5 Periods Schedule:

We received a lot of feedback about the online learning experience and have done our best to incorporate that feedback into our plan for the coming months. Therefore, a new daily schedule will be launched on Tuesday, November 24, 2020 as well as a specialized evaluation policy for online learning. The new schedule has been created so Elementary students have similar learning experiences and consistent daily schedules. This new schedule will remain the same in case we return to Hybrid learning later on (respecting blue and green groups). Below are the changes we made and the new 5 periods schedule for all of the classes:

- Classes start at 8:15 a.m. and end at 12:45 p.m.
- 5 periods per day (each period is 40 minutes long)
- 15 minute break between periods
- 25 minute break after period 3
- Any rescheduling of any class will occur at 1:00 p.m.
- Full classes instead of green and blue groups

Evaluation policy:

During online and hybrid classes, the students' evaluation will be by Trimester in the following percentages: 20% on Attendance, Compliance with the Netiquette and Daily Work, 20% on Oral Interaction and Quizzes, 60% on Exams (Gr. 3 and Gr. 4 will be doing their exams before Christmas vacation at school IF THE LOCKDOWN IS OVER. Gr. 1 and Gr. 2 exams will be after Christmas vacation, details will be provided later).

Parents Meetings with Teachers:

Due to COVID restrictions we will not be having in person meetings; meetings with teachers will be over the school phone upon previous appointment. Kindly call Mrs. Yolla Tawil, Elementary Cycle Secretary, and book your appointment by December 1, 2020.

We are looking forward to making a great difference in your children's education despite all these difficult circumstances. Our children need support from both the school and home. We share this responsibility with you, and we are doing our very best to carry it out.

Sincerely,

Maya Bou Zayan
Elementary Cycle Director
